Hoo-Ra!

This month marks the 250th year of America's independence. And what a way to celebrate other than to reflect on how NSPS YSN has exercised their right to advocate for the profession!

Once a year at the annual NSPS Spring Meeting, NSPS Directors and NSPS YSN members have the opportunity to discuss surveying related topics and collaborate on real-world solutions with Senators and their staffers within their state. This annual initiative is called Day on the Hill.

Talking to policy makers about surveying issues in your state? What's more rewarding? Zach Holshuer, PLS from Wisconsin shares his experience on Day on the Hill. Check it out!

Speaking of fun!

NSPS Fall Meeting is now open for registration. The NSPS YSN will meet for their annual fall meeting at the NSPS [Fall] meeting in Deadwood, SD. See link below for registration form, hotel information, and more! [Events | nspsysn](#)

& We are finally getting our ishshh together... 😊

An itinerary for YSN related events, outings, socials, meetings, etc. WILL be provided to NSPS YSN attendees for this event!

Now we need y'all to get your *ishsh* together. 😊

The 'Event Calendar' on the YSN website is highly under-utilized. Take a gander on the "how to" create an event on the NSPS YSN website [\[Home | nspsysn\]](#)

But why should I do this...? It's just another thing I have to do..

The 'Event Calendar' on the website makes it sooo friggin' easy to share YOUR state event, mind you it creates a weblink for members/non-members to view and sign up for the event.

For example, see MSPS [Michigan] YSN Kayaking and Camping Trip in the event calendar. [MSPS Young Surveyors Network Kayak and Camping Trip - NSPS Young Surveyor's Network](#)

Alright y'all! We back! 😊

Our monthly meeting will be held Thursday, July 23rd. A GoTo meeting link will be sent out via email to members. Check out future meetings in the link below.
