Young Surveyors Network

SEPTEMBER NEWSLETTER

IT'S ABOUT, THAT, TIME…
As we hope you've have heard and are aware of, the *INCREDIBLE* NSPS 2026 Fall Business Meeting, with associated YSN functions such as a Social and YSN's In-Person Fall Meeting, is happening OCTOBER 18th-20th (*Sunday-Tuesday*) in *beautiful* Deadwood, South Dakota.
This is where Officer Nominations will formally be heard. If you won't be able to attend and would like to nominate someone, OR if you'd like to just nominate ASAP, please see the Nomination Form.

Episodes 6,7,,,, 8 and 9 are OUT NOW!!!

Our "Between the Stakes" podcast is gaining steam in creating content *for* Young Surveyors, *by* Young Surveyors, *hosted by* Young Surveyors. Episodes dive into the topics that matter most to the next generation and did we mention, it's not PG… Whether you're navigating your early career or expanding your expertise, this podcast offers practical insights, real-world experiences, and conversations that happen between the stakes.

As "Career Fair Season" Approaches, Let Us Help with some Signage!..

Whether you're a seasoned-pro at Career Fairs or "new to the game" and looking for some conversation pieces to get things started when that potential future young surveyor steps to your booth, you need to check out the "Community Outreach" Topic of the YSN 101 Series!!

At the very end of the Topic, there are Attachments, particularly the "Surveying Basics Exhibit.pdf" These 24"x36" posters provide some easy talking points on the career, as well as an elementary sketch of how both a total station setup and GPS setup operate. These REALLY **help bridge the gap** and connect the dots for their curious minds!😀 Print them off an add them to your setup!!!

(*HEY! While yer there, checkout our other YSN 101 Topics to maybe help you or your state organization!!*)

But wait there's more…

Ever wanted to use a Survey Marker as a canvas for an AWESOME Design?! Well, Look-it THIS Opportunity!!

Submit a .pdf or image file of your design, or concept of a design. Entrants will be judged, and the winner will have their monument **design brought to reality** in partnership with Berntsen International. Parameters of the design are as follows…

- Needs to fit on a 3.25" or 4" diameter monument, and have simple linework and limited to no hatching; please stick to two lineweights, and linework that overlaps will need to be limited
- Submission must be received by October 16th to be considered
- Send your inquiries/submissions to nspsyoungsurveyors@gmail.com
